

Registration Instructions

This form is for the use of conference participants only. Individuals registering to conduct business must contact the Exhibits Department to register as a Non-exhibiting Industry Representative.

Each registrant (except nonteaching spouse) must submit a separate registration form. Do not send duplicate registrations—**if you fax your form, do not also mail the form.**

Registration fees cover all nonticketed conference activities and entry to the Exhibit Hall. Fees do not cover ticketed events, meals, lodging, or transportation other than NSTA-contracted shuttle service.

Registration Rates

The member rate:

Only those individuals listed below may register at the NSTA member rate:

- Current NSTA members
- Nonmembers who submit an NSTA membership application along with the registration form
- Members of the Science Teachers of Missouri (STOM)
- Members of the Louisiana Science Teachers Association (LSTA)

The retired member rate:

NSTA members who are fully retired and have been an NSTA member for at least five years may register at the retired rate.

The student rate:

Full-time students 18 years of age or older may register at the student rate if the registration form is accompanied by a copy of a current university ID or a letter from the university indicating fulltime enrollment.

Registration to attend a National Science Teachers Association (NSTA) conference means permission is granted to NSTA to use attendee's photo in NSTA marketing and promotional pieces about the Association for an indefinite period of time. Promotional pieces include, but are not limited to, printed brochures, reports, postcards, and flyers, as well as online uses such as postings on the NSTA website and e-mail blasts.

Spouse/Guest/Children Attending Conference with You

Your nonteaching spouse/guest and children must be registered in order to visit the Exhibit Hall but do not need to submit separate registration forms. Please provide their names on your own registration form. Children of high school age and under can be registered for free. A fee is required for your spouse/guest. College students and teaching spouses must submit separate registration forms and payment.

Earlybird/Advance Deadlines

Registrations postmarked (or faxed) by the earlybird deadline of **February 9** or the advance deadline of **March 2** have substantially lower fees than full on-site registration.

You must register by the advance deadline to receive your badge, tickets, and confirmation in advance of the conference. If you mailed or faxed your registration before the advance deadline and if by **March 23** you have not received your

confirmation packet, call NSTA conference registration at 703-243-7100 or 800-328-8998 or e-mail reg@nsta.org.

If your registration is postmarked after the advance deadline you will be charged at the full on-site rate and your confirmation may not be mailed to you before the conference. Pick up your confirmation, badges, and tickets on-site at the Problem Solving Counter in the NSTA Registration Area.

Ticketed Events

Information on ticketed events is available on our website (www.nsta.org/stlouis). This information can also be found in the St. Louis Advance Program, which is mailed to members in January 2007. Tickets are available on a first-come/first-served basis. If you are registered for the full meeting (three–four days), you may purchase tickets for any available event. If you are registering for one day only, you may purchase tickets only for those events that take place on the day for which you are registering.

There are two prices for ticketed events: the advance price and the onsite price. To qualify for the advance price, your registration and ticket purchases must be postmarked or faxed by the advance registration deadline of **March 2**.

You may add a ticketed event to your previous registration online or by submitting a new form by mail or fax. Simply check the box on the new form that indicates that you have already registered for the conference and select the ticketed items you wish to add. If you wish to add the tickets online, click on the appropriate link on the main registration page. Tickets are nonrefundable.

Tours have been arranged through a professional tour company, Discover St. Louis Tours, Inc. To order tickets or to see a complete list of the tours being offered, visit <http://discover-stlouis.com/nsta2007tours1.htm>.

Submitting Your Registration

Payment for registration and membership (if attaching membership application) must be included with your registration form. Forms received without payment will be returned unprocessed. Payment may be made by credit card, check, or purchase order from your school or school district (attach forms for all registrants). Mail or fax your completed form with payment to:

National Science Teachers Association
Conferences Department
PO Box 90214
Washington, DC 20090-0214
FAX: 703-243-3924

Refund/Cancellation Policy

Refund requests must be in writing and must be postmarked at least 10 days before the conference. Badge materials must be returned with refund request. Registration cancellations are subject to a \$20 processing fee. **Ticketed events are nonrefundable.**

Questions?

Contact NSTA conference registration at 703-243-7100 or 800-328-8998, or via e-mail at reg@nsta.org. For general information on the St. Louis conference or to register online, visit our website at www.nsta.org/stlouis.

We look forward to seeing you!

Become an NSTA member and save when you register for 2–4 days!

Simply complete a membership application (see previous page) and include it and your payment with your registration form.

Maximize Your Potential in the Classroom— Join NSTA Today and Save!

Gain year-round access to the latest news and information affecting science education.

1.

Membership Options Each membership option listed below includes one journal.

- Individual Membership—\$74/yr.
- New Teacher—\$32/yr. Teachers who are in their first three years of teaching. Send a copy of your teaching certificate or a letter from your administrator.
- Retired—\$32/yr. Science educators who are fully retired and have been an NSTA member for at least five years.
- Student—\$32/yr. For full-time students only. Include proof of current registration with your payment. Instructor must sign here:

- Joint NSTA/STOM—\$79/yr. Includes membership in both Science Teachers of Missouri and NSTA (STOM07).
- Joint NSTA/LSTA—\$74/yr. Includes membership in both Louisiana Science Teachers Association* and NSTA (LSTA07).

* Membership to LSTA is offered here due to our relocation of the 2007 conference, originally scheduled for New Orleans, to St. Louis following Hurricane Katrina. We are returning to New Orleans in 2009.
