Who should consider applying for the position of District Director?

The NSTA Council is comprised of 18 District Directors who serve as representatives for their geographic district.

District Directors typically have

Experience

- ... participated in their State Chapter or Associated Group, and often have held a leadership position in their organization
- ... demonstrated a commitment to promoting excellence and innovation in science teaching and learning for all

Enthusiasm

- ... a network of peers in their region that sometimes reaches across states
- ... the ability to speak to groups of peers

Availability

- ... time to travel to attend:
 - one state conference
 - one regional conference
 - one national conference
 - two NSTA Council meetings (one summer, one winter) insofar as possible each year. *
 - [plan and conduct one district retreat](#)

* NSTA provides funds for transportation and expenses that enable elected District Directors to attend the official meetings and achieve the objectives of the office.
