

The National Science Teachers Association (NSTA), founded in 1944 and headquartered in Arlington, Virginia, is the largest organization in the world promoting excellence and innovation in science teaching and learning for all.

NSTA is committed to improving science teaching by enhancing teachers' professional development, developing and delivering ready-to-use teaching resources, connecting teachers with their colleagues, and serving as their advocate.

Gain Maximum Value from Your Membership!

For as little as \$95, your organization can take full advantage of all the money-saving benefits of membership, including

- 20% off all NSTA Press® books and teaching resources
- 10% off all other publishers' resources in the *NSTA Recommends® Catalog*
- FREE subscription to *NSTA Reports*
- Up to 10% off multijournal and multiyear memberships

Give your teachers the resources they need to strengthen their skills and build a rewarding career.

Join NSTA today!

For more information, visit www.nsta.org/membership, or call NSTA Member Services at 800-722-NSTA (6782) or 703-243-7100.

"[NSTA] updates you on different teaching and learning strategies and science programs.

Science changes all the time. It's a dynamic thing. To stay abreast, you have to get involved at the national level. NSTA allows you to do that."

Mulugheta Teferi
St. Louis Public Schools
St. Louis, MO

"SciLinks is a great member benefit because it helps me develop new lesson plans and locate resources on science content."

Debbie Patashnik
Northshore School District
Bothell, WA

INSTITUTIONAL MEMBERSHIP APPLICATION

Members enjoy the best teaching resources, plus online and face-to-face professional development to build skills and improve performance.

- Award winning journals, grade-specific and filled with teaching strategies.
- National and regional conferences for the best face-to-face, hands-on learning across the nation—institutes, symposia, workshops, and presentations.
- Online Learning Center, with career-long professional development management tools.
- E-newsletters and listservs—stay informed and current, daily, weekly and monthly.
- Web seminars and short courses to build your science knowledge.
- NSTA books just for science educators—topical, strategic, and pedagogical.
- Your community—meet colleagues and friends, professional contacts, be involved and nurture your passion for science education.

YOUR CHOICE OF...

Science and Children
Keep current on trends, teaching techniques, science lessons, and activities for elementary teachers.
(9 times per year)

Science Scope
Find easy-to-read, activity-based articles developed and tested by teachers for middle level educators and their students.
(9 times per year)

The Science Teacher
Receive cutting-edge classroom ideas and timesaving strategies for teachers of high school science students.
(9 times per year)

Journal of College Science Teaching
Access the only scholarly journal for the teacher of science at the college level.
(6 times per year)

PLUS...

NSTA Reports
Our quick-read newspaper covers the latest science teaching news and informs you about resources and opportunities.

NSTA's online tools let you take charge of your personal and professional growth and success:

- The core site (www.nsta.org), where members can search current issues of our journals, shop for discounted materials, register for our award-winning conferences, or catch up on current happenings in science education world-wide;
- The NSTA Learning Center (<http://learningcenter.nsta.org>), with career-long Professional Development management tools and interactive, topical courseware to build content knowledge and teaching skills;
- The NSTA Communities, at www.nsta.org/communities, a destination that brings together science education professionals to interact, mingle, share activities and resources, form groups, and provide and receive support and help to and from fellow educators.
