

## Authors Speak Program: Book Ordering Information

Thank you for your interest in hosting a presentation by an NSTA Press author. Whether you make the purchase of an author's book a prerequisite for attendance, or you just want participants to have the option of buying certain volumes, having the author's book(s) on hand helps guarantee the success of your event. All orders enjoy a 20% NSTA member discount off list price for every book, and extra books may be returned for credit. To place an order please follow the instructions and use the order form below:

1. An official representative of your event's sponsoring organization must contact NSTA at least **SIX WEEKS** in advance of the presentation date to discuss desired titles and quantities. Please email [authors@nsta.org](mailto:authors@nsta.org) to begin this process. You may also call NSTA at 703-312-9385. The actual order must be placed in writing at least **ONE MONTH** in advance of the presentation date.
2. A "bill-to" address must be provided when the order is placed, and an invoice for the complete order, plus shipping, will be mailed to that address. Your organization's name must be included as part of the bill-to address. If the "ship-to" address is different, please specify this when placing your order.
3. The sponsoring organization is responsible for all payment to NSTA as well as all shipping costs—including returns. NSTA can provide estimated shipping costs at the time the order is placed.
4. Surplus copies may be returned to NSTA's warehouse—in undamaged, sellable condition—no more than two weeks after the event to obtain credit for the returned books. **To avoid a rerouting fee, all materials must be returned to the following address. Please include the original packing slip with your return:**  
NSTA Authors Speak—Returns  
9 Jay Gould Court  
Waldorf, MD 20602
5. The sponsoring organization is responsible for paying the original invoice, less any undamaged returns. A statement of the adjusted balance, reflecting the value of any returned books, will be mailed within 30 days of receipt of the books. Credit will not be issued for damaged or unsellable returns.
