

# FEEDBACK SHEET

## EVALUATE LESSON 20

### Peer Feedback Guide

As your partner shares their argument, use this table to capture your critique to share with your partner.

Student Whose Argument I Am Giving Feedback For:	
What did the author explain well?	
What evidence was included that meaningfully supported the author's argument?	
What questions do you have that can help the author improve on their reasoning or evidence?	
What claims were inaccurate? What would you say to challenge this claim?	

<p>What additional information should the author pursue to improve their argument?</p>
