

2026 NSTA Reports Insertion Order

NSTA Reports E-Newsletter

EDITORIAL PROFILE

Published approximately 50 times a year and distributed weekly to over 200,000 subscribers, NSTA Reports delivers the latest news and information about science teaching and learning, including professional development opportunities, legislative updates, member news, resources, and much more. The new NSTA Reports uses artificial intelligence to personalize and customize a newsletter that will compile articles and resources most relevant to the reader.

Circulation

Total confirmed delivery circulation of over 200,000. Readership consists primarily of science educators in the United States and Canada. Select administrators, principals, and supervisor/coordinators also receive this e-publication.

Sponsorship Guidelines

All sponsor and reading notices are subject to review and publisher's acceptance policy:

- Sponsors should abide by the minimum NSTA Safety Guidelines when submitting material. These include, but are not limited to: Wearing appropriate eye protection (ANSI Z87.1 compliant goggles or safety glasses), gloves (non-allergenic), an apron, ear protection, and similar protective gear in working with all hazardous chemicals or other liquids. Appropriate gloves and eye protection are required at all times when working with glassware, labware or other materials/equipment which may cause injury to the eyes. For a copy of the "NSTA Minimum Safety Guidelines" visit <https://static.nsta.org/pdfs/SafetyInTheMedia.pdf>.
- Sponsor assumes liability for all content (including text representation and illustrations) of material printed, and also assumes responsibility for any claims arising there from.
- Where change of copy is not received by closing date, material will be inserted as previously rendered.
