

TABLE 1**Demographics of student participants (N = 49) and course information.**

Panel 1. Demographics of student participants, spring 2020 (N = 49)	
Age (years)	
18	6.12%
19	4.08%
20	20.41%
21	20.41%
22	14.29%
23	2.04%
24	4.08%
25+	28.57%
Gender	
Male	42.86%
Female	57.14%
Race/Ethnicity	
Non-White	77.55%
Latino	46.94%
Transfer	44.90%
Parental Education	
Mother has high school or less education	40.81%
Father has high school or less education	48.98%
Parent income	
Less than \$30,000	12.24%
\$30,000 to \$49,999	22.45%
\$50,000 to \$69,999	8.16%
\$70,000 to \$149,999	22.44%
\$150,000 or more	2.04%
Missing	32.65%
Employment status	
Not employed	24.49%
Working 1–20 hours/week	46.94%
Working more than 20 hours/week	28.57%
Any prior CURE courses	14.29%
Number of prior CURE courses (among those with prior CURE courses)	
1	71.43%
2	28.57%
Panel 2. Course information N/Percent	
Number of course sections	8
Number of instructors	6
Number of departments/programs participating	5
Delivery format	
Fully synchronous	12.5%
Mix of synchronous and asynchronous courses	87.5%
Courses	
Natural sciences	3 upper division, 1 lower division
Social sciences	3 three upper division
