

## APPENDIX A

### *Survey Questions for Families*

1(a) Have you been on one of the field trips this year?

1(b) What do you think was the best part of the field trip?

1(c) What have been the biggest takeaways for you?

2(a) Have you been back to visit any of the sites where we have gone on our field trips?

2(b) If yes, how many times?

3(a) Since your child has participated in the field trips, have you noticed an increased interest in science?

3(b) If yes, can you tell me anything about how they have demonstrated an increased interest?

4 Is there anything else you would like to share with me regarding your (or your child's), participation in the science program this year at OPA?
