 - Positive
 - Neutral
 - Needs improvement
- If you selected “needs improvement”, please describe why

Suggestions for Improving our Program

- How did this event fit in with your learning objective, requirements, or science standards?
- How could SCOPE better integrate your science curriculum into our program?
- Is there anything else SCOPE could improve on?
- Any additional questions/comments/concerns?
- Would you be willing to share quotes or photos from you or your participants for SCOPE to use in a poster or presentation?

Event Feedback

- How would you describe your event? (1-5)
 - Very unsuccessful (1)
 - Very successful (5)
- If “unsuccessful”, (1-2), please describe why
- Interactions with the volunteer(s) were...
 - Positive
 - Neutral
 - Needs improvement
- If “needs improvement”, please describe why
- I thought this event...
 - ...was enjoyed by most
 - ...helped us achieve our learning outcomes
 - ...went smoothly and timely
 - ...was led by volunteers able to communicate on the level of my group
 - ...was an adequate introduction for my group to marine science, earth/ocean research, etc.
 - ...introduced my students to types of science careers
