

Is It “Fitter”?

Natural selection is sometimes described as “survival of the fittest.” Four friends were arguing about what the phrase “survival of the fittest” means. This is what they said:

Dora: “I think ‘fit’ means bigger and stronger.”

Lance: “I think ‘fit’ means more apt to reproduce.”

Felix: “I think ‘fit’ means able to run faster.”

Hap: “I think ‘fit’ means more intelligent.”
